Madrid, 5th January 2017

To: All WKF Federations Members

Dear friends,

On the event of the WKF Referee Course and examination that is going to take place from March 27th to April 2nd 2016 in Dubai, United Arab Emirates in the frame of the Premier League, please find below the online Registration details to the WKF Referee Course, as well as the draft programme.

Please note that the WKF Referee Course at Premier League events is for Candidates with no WKF qualification either in Kata, Kumite or both, consequently this will be for those candidates the only opportunity in 2017 to participate in a WKF referee course.

I would like to remind you that the fees for the Referee Course are as follows:

- Individual Kata **350 CHF**
- Individual Kumite **350 CHF**
- Both Kata & Kumite **550 CHF**

Note: Payment for the Referee Course should be preferably made in person at the registration and **not** by Bank Transfer.

The **deadline for registration is January 27th** (60 days before the 1st day of the Referee course). For late registration cases, acceptance will be subject to places being available and a surcharge of **300 CHF** for each single late registration (Kata or Kumite) and of **500 CHF** for each double late registration (kata and kumite). As there is limited capacity for the total number of participants in the referee course, each National Federation will have to rank its candidates by priority order. At least 45 days before the day of commencement of the course, the WKF will inform the National Federation of the number of candidates accepted, following the priority order indicated by the National Federation. Should this priority order not be given, then the WKF will take the decision as to which candidates will be accepted.

All registrations must be made online, with **deadline January 27th**, through the available links at www.sportdata.org/wkf Should you have any technical difficulties when registering, please contact support@sportsid.org.

The theory examination for Kata and Kumite will be done by Power Point presentation in English, French and Spanish.
